Jump to ratings and reviewsLord Voldemort, the dark wizard responsible for the deaths of Harry's parents, is growing stronger. At the Quiditch World Cup, Voldemort's signature Dark Mark appears in the sky over the stadium, causing pandemonium. The lightning-bolt-shaped scar on Harry's forehead is sporadically causing him agonizing pain, and he is also hearing disturbing voices. Harry realizes that all this is the result of a strong connection between himself and the Dark Lord, one that is putting him in grave danger. Back at Hogwarts, the students are getting ready for the upcoming Triwizard Tournament. Witches and wizards from two other schools are coming to Hogwarts for the year to compete in a series of grueling contests. The tournament is open only to students age 17 and above, but when someone secretly enters Harry's name, he is forced to compete. How can a 14-year-old possibly pass tests that might be fatal to an advanced wizard? And with the threat of Lord Voldemort looming, will he be able to focus on the tournament at all? For Harry, his friends, and everyone in the Wizarding world, the stakes are about to become much higher. This fourth installment, with a heart-pounding and emotional climax, serves as a turning point in the series, for the reader and for Harry himself.GenresFantasyFictionYoung AdultMagicAudioobookChildrensMiddle Grade 898 people are currently reading514561 people want to readSee also: Robert GalbraithAlthough she writes under the pen name J.K. Rowling, pronounced like rolling, her name when her first Harry Potter book was published was simply Joanne Rowling. Anticipating that the target audience of young boys might not want to read a book written by a woman, her publishers demanded that she use two initials, rather than her full name. As she had no middle name, she chose K as the second initial of her pen name, from her paternal grandmother Kathleen Ada Bulgen Rowling. She calls herself Jo and has said, "No one ever called me 'Joanne' when I was young, unless they were angry." Following her marriage, she has sometimes used the name Joanne Murray when conducting personal business. During the Leveson Inquiry she gave evidence under the name of Joanne Kathleen Rowling. In a 2012 interview, Rowling noted that she no longer cared that people pronounced her name incorrectly.Rowling was born to Peter James Rowling, a Rolls-Royce aircraft engineer, and Anne Rowling (ne Volant), on 31 July 1965 in Yate, Gloucestershire, England, 10 miles (16 km) northeast of Bristol. Her mother Anne was half-French and half-Scottish. Her parents first met on a train departing from King's Cross Station bound for Arbroath in 1964. They married on 14 March 1965. Her mother's maternal grandfather, Dugald Campbell, was born in Lanlsh on the Isle of Arran. Her mother's paternal grandfather, Louis Volant, was awarded the Croix de Guerre for exceptional bravery in defending the village of Courcelles-le-Comte during the First World War.Rowling's sister Diane was born at their home when Rowling was 23 months old. The family moved to the nearby village of Winterbourne when Rowling was four. She attended St Michael's Primary School, a school founded by abolitionist William Wilberforce and education reformer Hannah More. Her headmaster at St Michael's, Alfred Dunn, has been suggested as the inspiration for the Harry Potter headmaster Albus Dumbledore. As a child, Rowling often wrote fantasy stories, which she would usually then read to her sister. She recalls that: "I can still remember me telling her a story in which she fell down a rabbit hole and was fed strawberries by the rabbit family inside it. Certainly the first story I ever wrote down (when I was five or six) was about a rabbit called Rabbit. He got the measles and was visited by his friends, including a giant bee called Miss Bee." At the age of nine, Rowling moved to Church Cottage in the Gloucestershire village of Tutshill, close to Chepstow, Wales. When she was a young teenager, her great aunt, who Rowling said "taught classics and approved of a thirst for knowledge, even of a questionable kind," gave her a very old copy of Jessica Mitford's autobiography, Hons and Rebels. Mitford became Rowling's heroine, and Rowling subsequently read all of her books.Rowling has said of her teenage years, in an interview with The New Yorker, "I wasn't particularly happy. I think it's a dreadful time of life." She had a difficult home life; her mother was ill and she had a difficult relationship with her father (she is no longer on speaking terms with him). She attended secondary school at Wyedean School and College, where her mother had worked as a technician in the science department. Rowling said of her adolescence, "Hermione [a bookish, know-it-all Harry Potter character] is loosely based on me. She's a caricature of me when I was eleven, which I'm not particularly proud of." Steve Eddy, who taught Rowling English when she first arrived, remembers her as "not exceptional" but "one of a group of girls who were bright, and quite good at English." Sean Harris, her best friend in the Upper Sixth owned a turquoise Ford Anglia, which she says inspired the one in her books.Displaying 1 - 30 of 79,267 reviewsJuly 22, 2024(A) 96% | ExtraordinaryNotes: A tone transmigration, it's so the boy-girl drama, bright to start, but breaks your heart, and ends in tears and trauma.*Check out progress updates for detailed commentary: Progress updates:03/15/2020 - Preamble(1) I've said it before in comment replies, but I've always considered books 4-7 to be four parts of one very long book, which I call the "Voldemort is Back Saga."(2) Attending the Wizarding World Cup was mentioned at the end of "Prisoner of Azkaban." I think the only other tease of events to come was book six when HRR decided to leave Hogwarts.03/16/2020 - 2%(1) The opening chapter is the first one not in Harry's POV. Another aspect that separates the latter books from the first three.(2) The village of Little Hangleton reminds me a lot of Pagford from "The Casual Vacancy." Both feature an abandoned manor house, for example. I wouldn't be surprised if the germ of that book started with this chapter.03/17/2020 - 8%(1) Harry to Sirius:[Dudley] got really angry and chucked his PlayStation out of the window. That's a sort of computer thing you can play games on."- Historical inaccuracy. This takes place in 1994, the Playstation didn't come out until late 1995.(2) Last book, Hermione's letter mentioned Ron five times. Ron's letter here mentions her once :03/18/2020 - 10%(1) I think it's intentional, that right after Molly sort of intimidates Arthur into submission, Hermione does the same thing to Ron. It's juxtaposition!(2) I hear the name "Ludo Bagman," and all I think of is "Once a jolly swagman camped by a billabong." In my head he's Australian.(3) Wonder why Albania's such a hot wizard vacation destination? 03/19/2020 - 11%(1) Apparently, wizards don't use the metric system. Arthur needs Harry to help him pay the campsite manager in muggle money.(2) "The Lovegoods" are mentioned here. Probably Luna and her father her mother having passed.(3) The only thing we know about Cedric, thus far, is he's handsome and athletic. Same as last book. Worth reminding, I guess.03/20/2020 - 14%(1) In the book, Harry, Hermione and the Weasleys all cheer for Ireland. In the film, Harry and Ron support Bulgaria... I suppose so it doesn't look like they're all in Slytherin.(2) Crouch has a "toothbrush mustache," also known as the Hitler mustache... or alternatively, the Charlie Chaplin mustache.(3) Crouch to Percy: "Thank you, Weatherby."03/21/2020 - 16%(1) The Bulgarian mascots are veela... who can entrance men at will. Women aren't affected, which is an argument for having some female players... at least when playing Bulgaria.(2) "Lets have a really loud hand for the gallant losers Bulgaria!" Bagman shouted." "Runners-up" would have been more prudent, if only for political sensitivities.03/22/2020 - 18%(1) Just like "Weird!" is Ron's catchphrase, "Honestly!" is Hermione's. She says it, for example, whenever Harry or Ron are entranced by veela. You'd think "the brightest witch of her age" would understand it's involuntary.(2) In the books, Hermione's always scared, while Ron's brave in the face of danger. In the films, it's the other way around.03/23/2020 - 20%(1) Boy, after the World Cup, wizards be clamoring for portkeys like it's toilet paper at a Costco. Mass hysteria!(2) Harry says his scar hurt. Ron suggests they play quidditch to de-stress while Hermione insists he needs a nap. Ron and Hermione sort of have a fun parent/strict parent dynamic in this situation. Very much like Arthur and Molly do.03/24/2020 - 22%(1) Harry's dress robe is brand new and bottle-green, while Ron's is shabby, lacy and second-hand. It's totally Ron's Cinderella moment!(2) Bill: "[Rita Skeeter] called me a long-haired pillock."Molly: "Well, it is a bit long, dear If you'd just let me "Bill: "No, Mum."-. In the film all the Weasley boys and Harry have really long hair!03/25/2020 - 24%(1) "Hogwarts is hidden," said Hermione, in surprise. "Everyone knows that ... well, everyone who's read Hogwarts, A History, anyway."Just you, then, said Ron. "So go on."-. Hermione citing "Hogwarts, A History," expecting everyone's read it, and Ron saying she's the only one who ever has never gets old. It's my favorite recurring bit.03/26/2020 - 26%(1) I just put together that "Beauxbaton" means "beautiful wand" in French. Mind blown! I just put together that "Beauxbaton" means "beautiful wand" in French. Mind blown! I just speak German so I can't say if "Durmstrang" means anything. Though, knowing Rowling's penchant for stereotypes it's probably something downright Wagnerian: turmoil, fury and the like.(2) Apparently, Durmstrang offers courses in breakdancing. (see gif)03/27/2020 - 27%(1) "Squeezing the bubotubers was disgusting, but oddly satisfying. As each swelling was
popped, a large amount of thick yellowish-green liquid burst forth."- Ironically, or fittingly, this is use to cure acne.(2) "Professor Trelawney kept predicting Harry's death, which he found extremely annoying." To be fair, he very often does nearly die.03/28/2020 - 29%(1) Lavender: "Oooh, which ones that, Professor?"Trelawney: "It is Uranus, my dear."Ron: "Can I have a look at Uranus too, Lavender?"-. Ron will regret planting that seed.(2) Hagrid: Yeh! do wha yer told or ill be takin a leat outta Professor Moody's book... I hear yeh made a good ferret, Malfoy.- Sadly, Hagrid can't legally do magic.03/29/2020 - 30%(1) Moody forcing Neville to witness the imperius curse is really cruel, knowing the backstory.(2) "It's all right, sonny, [Moody] said to Neville. Why don't you come up to my office?... we can have a cup of tea..." Neville looked even more frightened at the prospect of tea with Moody.-! Wonder how Moody prepares tea, and what china he uses.03/30/2020 - 32%(1) "Harry's brain was as fogged as though it had been filled with the fumes from Professor Trelawneys fire."-. As an alliteration aficionado, I approve.(2) [Harry] just finished predicting his own death by decapitation. "Whats in the box?" he asked [Hermione], pointing at it."- What's in the box? What's in the box! (it's "Se7en" reference)03/31/2020 - 33%(1) Hermione turns on "Hogwarts, A History" for not mentioning house elf abuse. Priceless!(2) "You only like [Cedric] because hes handsome," said Ron scathingly.Excuse me, I dont like people just because theyre handsome! said Hermione indignantly.Ron gave a loud false cough, which sounded oddly like "Lockhart!". Ron with the sick burn!04/01/2020 - 34%(1) The Beauxbatons sit with the Ravenclaws and the Durmstrangs sit with the Slytherins. Thus foreshadowing that Hogwarts' champion will come from Hufflepuff or Gryffindor, or both.(2) Ron: "Whats that?"Hermione: "Boullabaisse"Ron: "Bless you."Hermione: "Its French ... Its very nice."-. Hermione, quickly after, stops liking French things.04/02/2020 - 36%(1) Hagrid dresses for courting just the same as he does for court!(2) The Goblet of Fire is made of wood! Must be non-flammable wood.(3) "[Crouch's] toothbrush mustache and severe parting looked very odd."- Yes, uncomfortably odd. The mustache had me wondering, but the "severe parting" confirmed it. Crouch is intended to remind you of Hitler.04/03/2020 - 38%(1) "Madame Maxime! said Fleur at once ... "Zey are saying zat zis little boy is to compete also!" Somewhere under Harrys numb disbelief he felt a ripple of anger. "Little boy?"- Well, Harry is somewhat shorter than average.(2) "Did you put your name into the Goblet of Fire, Harry?" [Dumbledore] asked calmly."- Yes, "calmly." See gif.04/04/2020 - 40%(1) The Gryffindors throw a party to celebrate Harry (supposedly) cheating to get into the tournament. Celebrating deceit seems more like a Slytherin thing to me.(2) Stephen Fry uses the same voice for both Hermione and Professor McGonagall. I don't know if it shows a lack of range for female voices, or if he's actually making some subtle point.04/05/2020 - 42%(1) Malfoy turns Hermione's front teeth the size of tusks. Ron, instead of immediately trying to fist-fight Malfoy, tries to comfort Hermione. That's character development!(2) Rita Skeeter forces Harry to squeeze into a dark broom closet with her for an interview. In my head I'm screaming, "He's underage! That's the whole reason for the scandal!"04/06/2020 - 44%(1) Last book it was Hermione who was on the outs with Harry and Ron, here it's the opposite. I appreciate the mirroring!(2) Rita Skeeter writes that Hermione's Harry's girlfriend... thus begins the boy-girl drama!(3) Hermione: "[Krum]s not even good-looking! ... [girls] only like him because hes famous!"-. She'll change her tune soon enough.04/07/2020 - 46%(1) Hagrid shows Maxime, and by proxy Beauxbatons, the secret first task simply to get her to like him. On one hand, it's helping the competition. On the other hand, everyone cheats anyway, and at least he gets the girl.(2) "Never mind me, how are you?" said Sirius seriously.-! It finally happened! Been waiting the last two books for that pun.04/08/2020 - 48%(1) "Hermione," Harry said, through gritted teeth, "will you shut up for a bit, please?"-. Without Ron, I guess the job of reining in Hermione falls to Harry.(2) Moody: "Cheatings a traditional part of the Triwizard Tournament and always has been."- I knew it! Though knowing the twist at the end, I question how true this statement actually is.04/09/2020 - 50%(1) "Got a plan?" said Bagman, lowering his voice conspiratorially. "Because I dont mind sharing a few pointers, if you'd like them, you know..." Bagman, low-key offering to help Harry cheat sounds a lot like the start of a drug deal.(2) Rita Skeeter: "I wonder if you could give me a quick word?"Harry: "Yeah, you can have a word ... Goodbye."04/10/2020 - 52%(1) Viktor Krum persistently stalking Hermione in the library is at the same time endearing and creepy.(2) Shame the whole "Blast-Ended Skrewts" subplot was cut from the film. I would have liked to see what "the most repulsive things Harry had ever seen" looked like.(3) Apparently, one elf's servile emancipation is another elf's grievous shame.04/11/2020 - 55%(1) "Why do they have to move in packs?" Harry asked Ron as a dozen or so girls walked past them. "Howve you supposed to get one on their own to ask them?"-. I've totally been there.(2) 'Ron was staring at Hermione as though suddenly seeing her in a whole new light.'Hermione ... you are a girl!" "Oh well spotted," she said acidly.04/12/2020 - 56%(1) "Hermione who are you going to the ball with? said Ron. He kept springing this question on her, hoping to startle her into a response by asking it when she least expected it."-. In other words, "Who's my new nemesis?"(2) Parvati: "Padmas going to meet you in the entrance hall."Ron: "Right ... Wheres Hermione?"-. Wrong girl, Ron! Focus!04/13/2020 - 57%(1) Dumbledore apparently found the Room of Requirement, filled with chamber pots, when he needed to urinate.(2) Hermione was now teaching Krum to say her name properly; he kept calling her "Herm-y-won." "Her-my-oh-nee," she said slowly and clearly. "Herm-own-ninny.""Close enough," she said.- Before I knew better, I pronounced it "Herm-y-won."04/14/2020 - 58%(1) "The Weird Sisters ... were all extremely hairy and dressed in black robes that had been artfully ripped and torn."-. Nice bit of historical accuracy there. 1994 was the very height of "artfully ripped and torn" clothes.(2) Ron insists Krum only asked Hermione to the Ball to get info on Harry. Jealousy aside, that's actually a legit concern.04/15/2020 - 59%(1) Hermione: "Next time theres a ball, ask me before someone else does, and not as a last resort!" Ron: "Well that just proves completely missed the point "Narrator: [Harry] somehow thought that Hermione had gotten the point much better than Ron had."-. The saddest non-death scene of the series.- Hermione's tough, but so weak for Ron :04/16/2020 - 61%(1) Ron lays down some serious knowledge on giants. Filmmakers take note. Rons not dumb.(2) 'Ron and Hermione seemed to have reached an unspoken agreement not to discuss the results of my social mediarings transforming into Thors big-bellied image from the last Avengers movie after consuming them incessantly, like most of my friends have done since quidditch began (it will end eventually, right)? But wait a minutecscratch that ideal If I insisted on baking, Id only end up posing with burned or overlooked disasters. I could also resume my at-home soccer matches with my dearest husband, but theres not a single intact glass left in our house. Walking barefoot still stresses me out because, for all I know, theres a tiny, threatening shard of glass hiding somewhere, just waiting for me to step on it.And of course, after devouring Ozark, La Casa de Papel, Tiger King, and Unorthodox, Ive struggled to find anything else that matches my taste in shows.Sure, Im already juggling three books, but on weekends, melancholy creeps in. Thats when I gravitate toward things that made me happy in the pastlike rewatching Shaun of the Dead, The Big Lebowski, and Fight Club. The best part? Every rewatch reveals new details you missed before!Speaking of books, the third one in my current series is my favorite. Its special because its the last time my three musketeers retained their innocence before stepping into the dark side. This book Im revisiting now marks the beginning of that darkness. Its the middle part of a long seriesa pivotal installment. A major death shakes the characters to their core, and their lives are forever changed. This is one of the darkest, most action-packed, gripping, and heartbreaking books in the series.When I first read it nearly 20 years ago, I wasnt intimidated by its length. On the contrary, I felt luckynally, a Harry Potter novel that I couldnt finish in a day! (For context: I devoured the first three books in a day each. Correction: the first book only took me half a day, thanks to the speed-reading skills I developed during college.) The books length felt like a gift because it meant I could spend more time immersed in Harry Potters world. As I revisited the Quiditch World Cup chapters, I was in awe of J.K. Rowlings creativity and visionary writing. It transported me back to my younger, more nave self, reminding me of how much Id cherished each chapter, thrilled at Harrys victories, and been utterly shocked by the ending.I loved it all over again and promised myself to do it again. I could try my hand at baking bread, cakes, muffins, or any other carb-heavy project, and then share the results on my social mediarings transforming into Thors big-bellied image from the last Avengers movie after consuming them incessantly, like most of my friends have done since quidditch began (it will end eventually, right)? But wait a minutecscratch that ideal If I insisted

But wait a minutecscratch that ideal If I insisted on baking, Id only end up posing with burned or overlooked disasters. I could also resume my at-home soccer matches with my dearest husband, but theres not a single intact glass left in our house. Walking barefoot still stresses me out because, for all I know, theres a tiny, threatening shard of glass hiding somewhere, just waiting for me to step on it.And of course, after devouring Ozark, La Casa de Papel, Tiger King, and Unorthodox, Ive struggled to find anything else that matches my taste in shows.Sure, Im already juggling three books, but on weekends, melancholy creeps in. Thats when I gravitate toward things that made me happy in the pastlike rewatching Shaun of the Dead, The Big Lebowski, and Fight Club. The best part? Every rewatch reveals new details you missed before!Speaking of books, the third one in my current series is my favorite. Its special because its the last time my three musketeers retained their innocence before stepping into the dark side. This book Im revisiting now marks the beginning of that darkness. Its the middle part of a long seriesa pivotal installment. A major death shakes the characters to their core, and their lives are forever changed. This is one of the darkest, most action-packed, gripping, and heartbreaking books in the series.When I first read it nearly 20 years ago, I wasnt intimidated by its length. On the contrary, I felt luckynally, a Harry Potter novel that I couldnt finish in a day! (For context: I devoured the first three books in a day each. Correction: the first book only took me half a day, thanks to the speed-reading skills I developed during college.) The books length felt like a gift because it meant I could spend more time immersed in Harry Potters world. As I revisited the Quiditch World Cup chapters, I was in awe of J.K. Rowlings creativity and visionary writing. It transported me back to my younger, more nave self, reminding me of how much Id cherished each chapter, thrilled at Harrys victories, and been utterly shocked by the ending.I loved it all over again and promised myself to do it again. I could try my hand at baking bread, cakes, muffins, or any other carb-heavy project, and then share the results on my social mediarings transforming into Thors big-bellied image from the last Avengers movie after consuming them incessantly, like most of my friends have done since quidditch began (it will end eventually, right)? But wait a minutecscratch that ideal If I insisted on baking, Id only end up posing with burned or overlooked disasters. I could also resume my at-home soccer matches with my dearest husband, but theres not a single intact glass left in our house.
